Estas muestras han sido realizadas aplicando dos y tres manos de BARNIZ TINTE sobre madera de pino. El color es orientativo por cuanto, sobre otras maderas y con distintas aplicaciones puede variar su tono.

These samples have been made by applying two and three coats of BARNIZ TINTE on pinewood. The colour is for guidance only, as the tone may vary when applied to other types of wood or in different ways.

Ces échantillons ont été réalisés en appliquant deux et trois couches de BARNIZ TINTE sur du bois de pin. La couleur est indicative car son ton peut varier sur d'autres bois et avec d'autres applications.

Estas amostras foram realizadas mediante a aplicação duas e três demãos de VERNIZ CORANTE em pinho. A cor não é exato porque de outra madeira e diferentes aplicações podem variar o tom.
